

# Titan Pallet Trucks

The Titan **hand pallet truck** by Lift-Rite® is packed with more features than any other **pallet truck** on the market.

It features a one-piece cast pump that improves performance and reliability. Frame has re-enforcements for strength and durability. Grease fittings on thrust plate allow for flexible steering. Handle bumper protects pump piston and provides strength to handle. Backed with a 2-year pump warranty, this is the **hand pallet truck** you want.

**Pallet truck** compact dimensions start at just 12" wide, and go all the way to 33" wide! If it's a long pallet truck you need, we can get you one up to 120" long. Standard capacity is 5500lbs. Standard lowered height is 3".

## Features:

- One-Piece Cast Hydraulic Unit
- 3 position control handle
- Adjustable push rods
- High Performance frame
- Entry Slide and Exit Rollers
- True 3" lowered height on standard series
- Precision steer wheels and rollers

## 2 YEAR PUMP WARRANTY

| Model                                     | Width x Length in Inches | Capacity  | Lowered Height | Raised Height | Price      |
|-------------------------------------------|--------------------------|-----------|----------------|---------------|------------|
| <b>Standard Capacity Lift Rite Models</b> |                          |           |                |               |            |
